

MiLife New Plymouth is a vibrant and welcoming retirement village offering two sites in Bell Block.

Managed by Angela and Kathy, they love they know all their residents and can quickly respond to residents needs without them having to experience the complications or delays that can come with being part of a large corporate.

MiLife's villas are modern and cleverly designed to be compact yet spacious, the location close to shopping, the beach, and New Plymouth airport make it an ideal spot to retire! Relax into your carefree, independent lifestyle with a true sense of security, knowing neighbours and friends are always nearby.

You are invited to come and see MiLife for yourself for a guided tour, we have villas available now!

Please drop into our Open Day (no appointment necessary) on Tuesday 21st May between 10am and 12pm at MiLife Bell Vista – 131 Mangati Road, Bell Block.

Contact Angela on 021 565 854 or a.day@milife.co.nz with any queries.
